

### FRITZ HANSEN

This furniture company was founded in 1872 by Fritz Hansen a cabinet designer by trade. Some notable designers that contributed to the stores collection are Arne Jacobsen, Børge Mogensen, and Hans. J. Wegner. They began making just furniture specifically and in recent years broadened their market to lighting and accessory design as well. Their aesthetic is very simple and full of neutral and earth tones. Their minimalist design emphasizes the quality of their products.
