ARNE JACOBSEN

Born in 1902 Jacobsen began his career by studying at the Royal Danish Academy of Fine Arts. He was a furniture designer who was accredited for bringing modernism to Denmark. He also had a big part in shaping Danish functionalist expression. Along with modernism and functionalism he had a great interest for botany as seen with his floral patterns. After his death his brand continues to live on selling high end furniture and a timeless fusion of function and aesthetics.
